

A vertical, oval-shaped logo on the left side of the slide. The top half is blue and purple with a digital background, featuring icons of a document, a padlock, and binary code. The bottom half is white with a blue border. The text 'DIGITAL CONTENT PROTECTION, LLC' is written vertically in blue, with 'digital-cp.com' below it.

Compliance and Interoperability Plans for 2006

Stephen Balogh, President DCP LLC

May 31, 2006

DCP LLC OBJECTIVE

- Drive WW HDCP adoption and long term sustainability through:
 - Enhanced Interoperability Program
 - Compliance program
 - Market Monitoring / Enforcement
 - Specification Enhancements
 - New Resources for Developer/Implementers

Compliance Program

- Develop and diffuse comprehensive compliance program
 - Compliance Test Specification
 - Distribute to adopters for comment
 - Publish on Webpage end of June
 - Develop or select appropriate test tools / Authorized Testing Centers
 - in discussions with Simplay, Analog Devices, Quantum, others)
 - Establish test center at DCP
 - Full setup of tools and equipment for vendors to work with throughout the year

Enhanced Interoperability Program

- Explore expanding the current CEA 861/HDCP Plugfests
 - Currently held twice a year in Milpitas, CA
 - Proposing to implement at least 1 additional Plugfest per year to include one in Europe and or Asia alternating
 - DCP will provide a Compliance test suite at each Plugfest

Market Monitoring / Enforcement

- DCP Market Monitoring Lab
 - DCP will purchase HDCP enabled products available in the market
 - Comprehensive test reports
- Review Adopter compliance with agreement
 - Conduct audits of products/sales and processes for maintaining confidentiality
 - Information Requests/Audits
- Actions will be taken depending on results...

Specification Enhancements

- HDCP Specification 1.2 released to adopter base
 - improvement to current HDCP specification 1.1 that:
 - Incorporate all Errata, spec and new SRM implementation as version 1.2
 - Publish to web after Adopter review

A vertical, oval-shaped logo with a blue and purple digital background. The background features icons of a padlock, a document, and a cursor, along with the text 'Security 100%' and '100%' and '199'.
